The NICE Center, located in Lee, Illinois, is open every Saturday from 8:15 am to 11:00 am. All clothing and food items are free and have been donated from various people in the community.

We are in need of volunteers to staff the facility for the month of February. Please see the sign up sheet on the bulletin board

There are a few churches that support NICE by doing a monthly collection of a named item from their congregations. It is usually an item that is expensive for the Center to buy or that is very popular. We are now collecting for the month of February and we would like to collect bathroom tissue paper. The items can be put into the collection box in the Narthex. Watch the newsletter and bulletins for what we will be collecting each month.

Thank you for your support. The families that come to the NICE Center

February 2018 Newsletter

We welcome February with all our hearts. Speaking of hearts, we will be cutting and tracing hearts for fine motor practice. Our science unit leads us to experiment with light and shadow. We are talking about Jesus and the miracles he performed. In math, we will take another look at shapes both 2D and 3D.

Key Points to Remember:

1. Please check your parent pocket.
2. Please call school or email if your child is not attending school that day.
3. Check out the hallway... classroom work is always changing.

Winter Weather

Please remember that we follow Indian Creek school district for school closings. Carpets are out in the hallway. The carpets are for wet boots. You may hang your child's coat in the classroom if you would prefer to keep it off the floor. Bring your students' a hat, gloves, boots and snow pants. In the event we go outside, they will be prepared.

Words of gratitude

**Thank you to the school committee members for their time and service.
Thank you to all the parents, grandparents, and caregivers who support our preschool every day! You are such a blessing!**

**Blessings,
Dana Hardenbergh
Director/Pre-K teacher**
