Emergency Clean-up Bucket. It is unfortunate that there is a continued need for these buckets. This is an on-going Mission for the Waterman Presbyterian Church. When one bucket is completed, a new bucket will be started. The needed items will be printed onto cards. When you are at the church, please take a card or two or three, and bring the items to the church and place them into our bucket. ******Thank you** ****!!!

Daylight saving time ends at 2:00 am on Sunday, November 3rd. We recommend setting your clocks back one hour before you retire on Saturday, November 2nd. It is also a good time to change all the batteries in your battery operated/back-up devices including smoke detectors.

Hope Haven: Wednesday, October 30th. WPC's turn to serve and a sign up sheet will be posted.

There are a few churches that support NICE by doing a monthly collection of a named item from their congregations. It is usually an item that is expensive for the Center to buy or that is very popular. We are now collecting for the **month of October** and we would like to collect canned pumpkin/cranberry sauce/stuffing mixes. The items can be put into the collection box in the Narthex. Watch the newsletter and bulletins for what we will be collecting each month.

Thank You!!!!!!!

Being a Christian is like being a pumpkin. God lifts you up, takes you in, and washes all the dirt off of you. He opens you up, touches you deep inside and scoops out all the yucky stuff-- including the seeds of doubt, hate, and greed. Then He carves you a new smiling face and puts His light inside you to shine for the entire world to see.

Happy October!

We are having so much fun at Open Hands! This past month, we had the opportunity to visit Honey Hill Orchard. We took a wagon ride through the orchard, discovered where the fresh apples are stored and sorted, all about Honeybees, and even got to enjoy a fresh apple, doughnut, and cider! Our trip was the perfect addition to our theme of apples. Thank you SO much to everybody at Honey Hill for inviting us to your orchard! A big thank you also goes out to all our families for joining us on our trip.

Back in the classroom, we explored apples and even got to paint with them! We also spent time learning about all sorts of transportation- what makes things go and what goes on land, air, water, and tracks. We read lots of Pete the Cat books and books by Mo Willems. We have been working on getting our classroom routine down and making friends!

For the month of October, we will be focusing on all things fall! We will use our senses to discover the sights, sounds, and tastes of the season. We will use math skills to count pumpkin seeds and science skills to explore the world around us. We will continue to focus on recognizing/writing our names, as well as the letters in the alphabet. We will also have the opportunity to learn about fire safety and visit the Fire Station! To finish our month, we will come to school dressed in our costumes for our Halloween parties! October is a fun, busy month- and we are looking forward to it!

A special thank you to both the Waterman Presbyterian Church and the Waterman United Methodist Church for their generous donations to our program. We are so grateful and thankful for your support! Additionally, thank you to all of those who have helped our program thus far this school year- we appreciate every gesture, big or small!

Please note that there is no school on Friday, October 11th and Monday, October 14th, 2019.
