

From Reverend Roger

Newsletter Article
June, 2013 Edition

I've been thinking about what to say in this newsletter.

Maybe I could say something about summer and vacation time?

Or Vacation Bible School, a major activity for the United Methodist and the Presbyterian Churches?

Or prayer, an important practice for us?

All of these themes would be fitting and appropriate.

But none are what I want to say in this newsletter article.

I want to say,

“God loves us!”

Yes, that's everything that I want to say to the people who receive this newsletter.
